

PERSONAL STATEMENT

I am a creative and enthusiastic laboratory scientist (technician), Accountant and Web Developer with three years of experience in clinical laboratories, two years in accounting and one year in web development. I have an excellent experience in carrying out several laboratory diagnostic tests even with the latest updated technologies. I possess excellent analytical and communication skills and have dedicated approach to working in a highly controlled working environment. I am currently looking for a challenging opportunity within the laboratory, Accounting and Web development sector.
